

STOP THE CITY FROM BUILDING MOUNTAIN  
BIKER THRILL RIDE "FLOW TRAILS"

# PROTECT LIME RIDGE OPEN SPACE

THESE "FLOW TRAILS" WILL BRING MORE TRAFFIC,  
MORE MOUNTAIN BIKERS, MORE FIRE RISK AND  
MORE DESTRUCTION TO OUR HILLSIDES!

OUR OPEN SPACE SHOULD BE PRESERVED  
AND PROTECTED, NOT USED AS AN  
AMUSEMENT PARK FOR MOUNTAIN BIKERS!

# LIME RIDGE IS A NATURE PRESERVE

## NOT AN AMUSEMENT PARK!

Lime ridge Open Space is designated as a natural undisturbed area to be preserved and protected. It is not a regional amusement park. Community members are coming together to fight these new mountain biker trails and protect our natural environment and wildlife habitats. There are many options for biking all over Walnut Creek and the Bay area, but there is a limited amount of Open Space that is being preserved and protected. We need to send a clear message to the cities of Walnut Creek and Concord that we want Lime Ridge preserved and protected as it was designated to be!
